Nazi's hijacked the Netherlands stealth to continue the Third Reich along the Benelux, Europe, America and the rest of the world with global genocide consequences.

Therefore this request to all responsible on Earth and beyond, to help STOP the by Nazi hijacked Netherlands who stealth continue the Third Reich along the Benelux, Europe, America and the rest of the world with global genocide consequences. Based on the on 5 September 1944 in London falsely signed Dutch-Belgian-Luxembourg Customs Convention, the subsequent on 2 February 1958 closed Treaty, establishing of the Benelux Economic Union and declaration of the "New Benelux Treaty" done at The

Hague (Nazi Netherlands) on 17 June 2008 with all is not legally. By these the Belgian Constitutional Court ore Government are the only authority's that can stop the on falsely treaty based global acquisition and genocide, by destroying the Benelux Treaty, they creating legal regulations to re-build a democratic Europe with independent countries based on the democratic laws before the Dutch-Belgian-Luxembourg Customs Convention. The Belgian [King Leopold III](#) saves the world and defeats posthumous Nazi Netherlands (VVD, CDA, PvdA, SGP) from which cur Nazi Europe originated. This to illegal expand the on Dutch territory stealth continued Nazi government, first by the Benelux, there after Europe, Amerika and final the rest of the world. However, [King Leopold III](#) of Belgium thwarts these plans where John F. Kennedy ([video](#)), Robert Welch ([video](#)) and Eisenhower ([video](#)) **warned us of!**

1982: Start of the search for K-XVII Because of the first rumors the commander Besançon's son started a search for the K-XVII. On 26th of April 1982 he left for the South China Sea and on May 2nd the team of the Hatcher diving company dived several miles off the island of Tioman, Hatcher had discovered the submarine 4 years earlier. Because the submarine had sunk deep into the mud it was impossible to read the boats name. But a number was found on the bronze steeringweel, with this number the historical section of the Royal Netherlands Navy could identify the sub as the K-XVII. Some Dutch words and equipment was also found on the wreck. Unfortunately the diving team could not find out why the submarine sunk. The real location was several thousands of miles away from the position from were the Dutch sub spotted the Japanese fleet (according to Creighton) were Creighton sunk the Dutch sub. **1991: Son of Besançon meets Japanese Naval Officer N. The boat was maneuvered to the minefield near Tioman, so the secret service must have known the location (that was changed at the last moment because the Japanese minelayer was disturbed by a Dutch plane) of the Japanese minefield without informing the Navy! Mines had to be moved or dismantled. Once in the minefield the boat was scuttled, using explosives in such a way that it would appear she was struck by a mine. 1

By the illegitimate 'transfer' of the Dutch Government to England, it happened that besides a military occupation in the Netherlands, also the German civil administration under [Reichskommissar Seyss-Inquart](#) became fatal for the Jewish part of the Dutch population. In Belgium and Denmark - where the Princes remained on their post - the vast majority of Jews survived the war. In Belgium, almost 90% of the Belgian - and 60% of foreign Jews survived (most from Germany and Central Europe).

Thanks to the Danish King in Denmark, there even 99% of the Jews survived the war. This is in contrast to the Netherlands, where only about 20% of Jews survived the war. Citizens in Belgium and Denmark were not taken to camps like 'Westerbork'. **Theodore Herzl the Founder of Zionism** told about Jews: *(video) It is essential that the sufferings of Jews.. . become worse. . . this will assist in realization of our plans. . . I have an excellent idea. . . I shall induce anti-Semites to liquidate Jewish wealth. . . The anti-Semites will assist us thereby in that they will strengthen the persecution and oppression of Jews. This happened along with the Dutch Minister of Foreign Affairs Mr. C.G.W.H. [Baron Boetzelaer Oosterhout](#) (party less) in the [cabinet Beel](#) (CSF). [Máxima Zorreguieta Cerruti](#) Princes of Orange also comes from Argentina, and married the Dutch [Willem-Alexander, Prince of Orange](#) grandson of Nazi [Bernhard of Lippe-Biesterfeld](#). Máxima worked prior to their marriage as an investment banker in New York City. The marriage triggered significant controversy due to the bride's father's prior role in the [Argentinian military dictatorship](#).

At least ten Nazi leaders fled to South America after World War II with passports from the International Red Cross, include [Adolf Eichmann](#), [Josef Mengele](#), [Franz Stangl](#), [Klaus Barbie](#) and [Erich Priebke](#). Until 1948 the International Red Cross issued no less than **63,750 travel documents to Nazis**, these were recognized by Argentina as official documents. Adolf Eichmann (foto left with hat) on board the ss Giovanni C towards Argentina, obtained his passport on 1 June 1950 under the

assumed name of Riccardo Klement, born in Bolzano. On 17 June 1950 he was already on the boat to Argentina. The men beside him were men of the Organisation of ehemaligen SS Angehörigen - [ODESSA](#) (translation: "[Organization of former SS members](#)") Here [the application](#) and the [passport of Adolf Eichmann](#) (foto right), alias Riccardo Klement, including the stamps of the Red Cross. According to a 752 pages FBI report, dated 21 September 1945, ten days after the fall of Berlin, Hitler arrived with a German U-boat ([video](#)) in the south of Argentina ([video](#)) ([see, doc](#)). However, a search that time yielded nothing. Probably Hitler had already traveled to [Tunja](#) ([Colombia](#)) where he stayed until 1955 according to CIA documents ([1/2/3/4/5/6](#)) and a testimony of the former Waffen-SS Philip Citroen, who worked in South America for the KNSM and had in 1954 (**establishment [Bilderberg Conferences](#) [video](#)**) once a month contact with Adolf Hitler who lived then under the name "Adolf

The Nazi Roots of the 'Brussels EU' What you always wanted to know about the 'Brussels EU' – But no one dared to tell you

Therefore it was the Belgian socialist [Paul-Henri Spaak](#) and [London Committee of the Netherland Red Cross Society](#) member [B.Ph. Baron Harinxma thoe Slooten](#) who falsely signed the on 5 September 1944 in London closed Dutch-Belgian-Luxembourg Customs Convention. This to connect and hostage Belgium and Luxembourg territory to participate in the staelt continuing of the Nazi government along Dutch territory, after the Benelux, then Europe, America and the rest of the world. However, [King Leopold III](#) of Belgium first thwarts these plans. John F. Kennedy ([video](#)), Robert Welch ([video](#)) and Eisenhower ([video](#)) **warned us!**

This agreement was on 5 September 1944 falsely signed by: ([see exhibit 1](#))

- **Mr. B.Ph. Baron Harinxma thoe Slooten** behalf of the Government of Her Majesty the Queen of the Netherlands and
- **Mr. Paul-Henri Spaak**, on behalf of the Government of His Majesty the King of the Belgians and
- **Mr. Paul-Henri Spaak**, on behalf of the Government of Her Royal Highness the Grand Duchess of Luxembourg,

With these knowledge, [the International Court of Justice](#) in The-Hague (Netherlands) was reestablished by the U.N. after the II World War in 1946. This time in Nazi occupied Netherlands with a Hitler Cabinet and a Nazi agenda to eliminate opposition in a undemocratic matter with a non-legally tribunal. Also in 1946 the Belgian [Paul-Henri Spaak](#) (socialist) became **first president** of the [United Nations General Assembly](#), and helpt delay the independence of Indonesia to support there agenda. In August 1949 he was chairman of the [Consultative Assembly of the Council of Europe](#), and from 1952 to 1953 President of the Common Assembly of the [European Coal and Steel Community](#) (**the foundation**

for the modern-day developments of the European Union). The Spaak report recommended the establishment of a European Economic Community and the European Atomic Energy Community. The same year (1953) the father of the current Dutch Minister [Piet Hein Donner](#), namely [André Donner](#) (ARP), prepared the revision of the Dutch Constitution as a member of the [State Commission Van Schaik](#) (1950/54). This revision including, [Article 60](#) afterwards [Article 120](#) received the following extension: **"The court shall not assess the constitutionality of agreements"** which means that the Dutch constitution is actual disabled. The International Tribunal is therefore not only sinds 1946 illegal but also established in a country, where the constitution is disabled.

The same year (1954) ["Robert Rothschild"](#) ([video](#)) who worked since 1937 at the cabinet of the Belgian Socialist [Paul-Henri Spaak](#) became his cabinet secretary, the same year Nazi [Prince Bernhard of Lippe-Biesterfeld](#) founded the Bilderberg conferences ([video](#)) with as successive presidents, his daughter [Queen Beatrix](#) and present the Belgian

socialist [Étienne Davignon](#) (Vice Chairman Eu-committee 1977-81) who was after "[Robert Rothschild](#)" the cabinet secretary of [Paul-Henri Spaak](#). Also from 1954 to 1956 Spaak and Rothschild worked together with [Jean-Charles Snoy et d'Oppuers](#) on the the [Treaty of Rome](#) for the final signing in 1957 by Spaak himself. He said, ***I think we have restored the Roman Empire without a single shot was fired.*** ([video](#)) ([click on the document right](#)) The same year he became the [Secretary General of NATO](#) and remained until 1961. Partly in the same period, from 23 January 1954 to 26 June 1958, he was simultaneous Minister of Foreign Affairs under the Belgium [Government-Van Acker IV](#). The [NATO](#) ([video](#)) is an executive agency of the [continuation of the Nazis](#) ([video](#)) where [Paul-Henri Spaak](#) has drawn, the Belgian Government in to this world destructive Nazi agenda ([video1/2](#)). This without the Belgian Government gauge the [Belgian Constitutional Court](#).

In the meantime the Benelux treaty 1958 is signed by:

-[Paul-Henri Spaak](#), *Minister of Foreign Affairs on behalf of Belgium. (then also Secretary General of NATO)*

-[Eelco Nicolaas van Kleffens](#), *Minister of Foreign Affairs on behalf of the Netherlands.*

-[Joseph Bech](#), *minister van Buitenlandse Zaken en wijnbouw namens Luxemburg.*

No coincidence in 1958 the concession for the extraction of tin and other raw materials by the Dutch in Indonesia ran off and was not extended, this time at the hands of [Sukarno](#), [John F. Kennedy](#) and his brother [Robert Kennedy](#). With a direct financial impact on Nazi Netherlands and the Dutch Royal Family. Therefore, the same year (1958) a continuation of this silent take-over of Belgian territory, despite Belgium [King Leopold III](#) heroic and democratic actions. This time by means of [the Benelux treaty](#), prepared by [Paul-Henri Spaak](#), his cabinet secretary "[Robert Rothschild](#)" and signed by Spaak himself to still implement the Third Reich (N.W.O) silently through the [the Benelux](#) and [Bildenberg meetings](#) ([video](#)) after Europe, America and the rest of the world.

Also [Belgium](#) lost his independence, and get hostage by Nazi Netherlands, by signing this illegal [Benelux treaty](#) in 1958, and is bound to a collaboration between the Netherlands and Belgium. This to mutually transport free goods and a joint rate for goods from outside the Benelux. Since the treaty of 1958, the Benelux economic union. This means that from that moment the Netherlands can dump each type of hazardous waste in Belgium which later subsequently been extended across the whole of Europe with high profits ([video](#)) to counter a financial ruin and continue there Nazi agenda at the expense of all citizens their prosperity and welfare.

Based on the on 5 September 1944 in London falsely signed Dutch-Belgian-Luxembourg Customs Convention, the on 2 February 1958 closed Treaty establishing of the Benelux Economic Union and declaration, "New Benelux Treaty" done at The Hague on 17 June 2008 is not legally. By these the Belgian Constitutional Court ore Government is the only authority that can stop the on this treaty based global acquisition including genocide, by destroy the illegal on 2 February 1958 closed Treaty establishing of the Benelux Economic Union and the declaration, done at The Hague on 17 June 2008 ("New Benelux Treaty")

The consequence of this is that the masonic [Grand Lodge of Belgium](#) was founded a year after the Benelux treaty (1959), supposedly because of the good relations with the Jews of Antwerp, England ([Rothschild](#)) and America ([Rockefeller](#)) ([video](#)) from which Hitler was financed through Netherlands [including the Bush family](#) ([video](#)). This lodge is separately established in Belgium in 1959 to support the Nazi fascist World Order continued from the territory of the Netherlands, expanded to the Benelux, Europe, America and then the rest of the world with a fascist agenda and genocide consequences.

This in parallel with the expulsion of Nazi Netherlands out of Indonesia, could mean a global recapture of democracy and the destruction of the stealth continued Nazi regime through Dutch territory and America. This agreement made it possible that 50,000 tons of gold would be transferred to support this currency. The problem was that the domestic currency of the USA was therefore backed by gold, what would have been contrary to international agreements which were intended to stabilize the currency. At the same time, however, the United States itself, though its love affair with treason, terrorism and spying, has, itself, become the real victim of the invisible networks it spent so many millions to build ([video](#)).

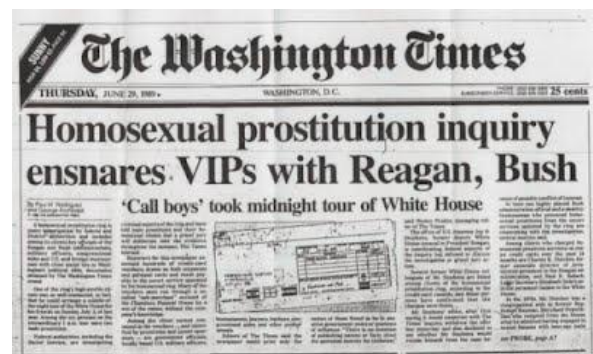

The Belgian [Alexandre Galopin](#) was a [Nazi](#) collaborator who created the [Galopin doctrine](#) to do business with Nazis during World War II. Meantime (1935-1944) he was Director of the [Société Générale de Belgique](#) and [Vice-Chairman Board of Directors](#) of the [Nazi BIS Bank \(Organogram Money machine\)](#). His son-in-law baron Pierre de Bonvoisin was many years a [Bilderberg member \(video\)](#) from the first day Nazi [Bernhard of Lippe-Biesterfeld](#) founded the [conference in 1954](#). In 1969, [Paul Vanden Boeynants](#) former Prime Minister of Belgium (1966–68 and 78–79) set up the Cercle des Nations which was pro-European integration and 'highly fascist' He had together with [Alexandre Galopin](#) his grandson, [Benoit de Bonvoisin \(nicknamed the "Black Baron"\)](#) connections to terrorist organizations like [Nijvel Gang \(video\)](#), [CCC \(video\)](#) and

CIA/[NATO's](#) operation [Gladio \(video\)](#) (*Stay-Behind Groups who did the bombings in Belgium in 1984 and 1985*). The idea was to put the extreme right wing into power with a secret army ([video](#)) that perform terror operations on citizens ([video](#)) and finance "fascist and militant groups ([video](#))". The role of the [Central Intelligence Agency](#) (CIA) in sponsoring Gladio and the extent of its activities during the [Cold War](#) era in relationship to [right-wing terrorist attacks](#) where perpetrated in Italy ([video](#)) during the "[Years of Lead](#)" (late 1960s to early 1980s) Italy, Switzerland and Belgium have had parliamentary inquiries into the matter ([video](#)).

Another part of Gladio is prostitution and child abuse, where [Benoit de Bonvoisin](#) and [Paul Vanden Boeynants](#) were involved. Because of this continuation of the Nazi regime through Dutch territory and shortcomings in their legislation, including disabling there Constitution, Nazi Netherlands can import global everything like a Trojan horse within Europe, from children to abused for extortion up to chemical waste like very toxic, toxic, corrosive or harmful substance (s), to process costly or storage at high costs with large sums of European subsidies. However spread ones more worldwide ([including Azie by high profits](#)) with help of the Netherlands Agency for Energy and the Environment (Novem), much effort has been spent by the Dutch industry in finding useful applications as [Super Wolmanzouten](#) ([video](#)) and [others](#) ([video](#))... As a result, today, 100% of the residues produced in the Netherlands is re-used. This is probably unequalled in the world to dump globally stealth chemical waste at high profits and genocide consequences.

Partly because this and other kind of extortion it was possible for Nazi Netherlands to dump chemical waste first in Belgium with high profits, what also happened in the 80s in the [Walloon](#) (Liege and other) [gravel pits and landfill](#) with Bilderbergmember (**Dieu = GOD**) [Guy Spitaels](#) (named in [Dutroux files](#)) (photo, person right) as driving force, and later the province of [Limburg \(Flanders\)](#) with Bilderbergmember [Willy Claes](#) (named in [Dutroux files](#)) (photo, person left). "Cools had most imprudently announced to the Belgian press... that he would soon release startling evidence about corruption in [Belgium's growing arms industry](#) and its ties to the Canadian billionaire Bronfman brothers, a number of major U.S. political figures and republican fat cats with influence reaching into the inner circles of the Bush White House. "Among the names that Cools promised to present evidence on were [Dick Cheney](#), [Neil Bush](#), [Frank Carlucci](#), [Donald Rumsfeld](#) and members of the powerful [Barbour and Racicot clans who all own large shares in major arms manufactureres](#) as well as Britain's Jonathan Aitken, Thatcher's secretary of state for defense who had large holdings in a string of British arms suppliers and was a [leading figure in the Tory Party hierarchy](#). In 1991 Cools was shot dead before he could speak out. [Guy Spitaels](#), [Willy Claes](#) and [André Cools](#) were members of the masonic [Grand Lodge of Belgium](#) that was separately established in a year after the Benelux treaty (1959) because of the good relations with the Jews of Antwerp, England ([Rothschild](#)) and America ([Rockefeller](#) / [Bush](#)) ([video](#)) who support the Nazi fascist World Order continued from the territory of the Netherlands, expanded by the Benelux, Europe, America and then the rest of the world with a fascist agenda and genocide consequences. Since the assassination of Andre Cools nobody dares to talk publicly. Shortly after the assassination, [Willy Claes](#) follow up [Guy Spitaels](#) as Chairman of the Party of European Socialists in July 1992 and start "[Agenda 21](#)" together with his colleagues, [George H.W. Bush](#) and [Bill Clinton](#) the socialists within Nazi Netherlands and the U.N. which is part of these continuing Nazi policies, who not accidental illegal reestablished [the International U.N. Which means that the Dutch constitution (Nazi) is not only disabled after the revision of [Article 60](#) in 1953 with the extension: "**The court shall not assess the constitutionality of agreements**" afterwards in 1980 changed in [Article 120](#), but in combination with this pesticide Law of 1962, [no account should be taken of:](#)

One of the pivotal conversations in the course of the genocide took place, when Willy Claes, the Belgian Foreign Minister, called the State Department to request "cover." "We are pulling out, but we don't want to be seen to be doing it alone," Claes said, asking the Americans to support a full UN withdrawal ([video](#)). Dallaire had not anticipated that Belgium would extract its soldiers, removing the backbone of his mission and stranding Rwandans in their hour of greatest need. Belgium did not want to leave ignominiously, by itself. Warren Christopher agreed to back Belgian requests for a full UN exit. Policy over the next month or so can be described simply: no U.S. military intervention, robust demands for a withdrawal of all of Dallaire's forces, and no support for a new UN mission that would challenge the killers. In the course of a hundred days in 1994 the Hutu government of Rwanda and its extremist allies very nearly succeeded in exterminating the country's Tutsi minority. Also in 1994 [Secretary General of NATO Willy Claes](#) introduced "**Agenda 21**" ([video](#)) as a pilot project for Belgium in his home town Hasselt, the capital of the province Limburg where Claes sustained there dictatorial power to date, and abuse his own country, province, the socialist party, his members, al Belgian citizens, including his own children and grandchildren for a third fascist agenda with genocide consequences. Currently his daughter [Hilde Claes](#) is mayor and works like we know under undemocratic pressure. Like here father she is **regularly discredited** due to fraud and misuse power to a fascist overturn and destroy

whistleblowers. This [Secretary General of NATO](#) continue the mass poisoning with high profits, **this time officially** within Belgium together with his political child, [Steve Stevaert](#) (socialist) as environmental depute of the Province of Limburg. [Steve Stevaert](#) was piloted by Willy Claes into local politics, first alderman, later in 1995 as mayor of Hasselt, he became State minister of Belgium, there after governor of the Province of Limburg, he wanted to merge the Belgian Limburg with the Dutch [Limburg](#) like before the [Belgian Revolution](#) in 1830. A conflict which led to the secession of the southern provinces from the [United Kingdom of the Netherlands](#) and established an independent [Kingdom of Belgium](#). However the Netherlands (Dutch [Limburg](#)) since 1940 is stealth adopted by the Nazi Hitler cabinet, a horse of Troy within Europe what consciously never officially is given back to the Netherlands and is until now is German Nazi Territory! According to [Steve Stevaert](#), Belgium en Dutch [Limburg](#) (Nazi) have so much in common that they easily can be considered as a unit, what would work perfectly for these Nazi when all the sovereign states in Europe are dissolved with, Limburg as stealth Trojan horse from occupied Netherlands in to Europe. A relationship that were widely known throughout Europe and are considered as one province whitin Europe. Shortly after the introduction of Agenda 21 in Limburg (Belgium), [Frieda Brepoels](#) (NVA) took [Steve Stevaert](#) place as environmental depute (1994-1999) and granted together with the Flemish Minister for Environment (1995-99) [Theo Kelchtermans](#) a controversial environmental permit for dumping hazardous industrial waste at the [REMO landfill](#) from the [Group Machiels](#), a small company that in 2 decades from scratch became a world player where Willy Claes, Steve Stevaerts and Theo Kelchtermans, all politicians from Limburg are advisors of. This [REMO landfill](#), is located in a nature reserve alongside military domain, where massif illegal dumping happened with the most carcinogenic chemicals like [Chromium trioxide](#), [arsenic acid](#) and others, from, among Billiton, Shell, Monsanto ... including [radioactive](#) waste from the in 1992 crash [Bijlmer disaster](#) in the Netherlands, where a ELAL (Israel) Boeing aircraft is missing at least 152 kg of depleted uranium counterweights. [Because of the very sensitive cargo aboard the doomed aircraft](#), the official investigations have been shrouded in secrecy, denial and misinformation ([video](#)), however research revealed chemical weapons and radioactive military goods were aboard. These wastes are dumpt at different landfill in the Benelux, partly on this [REMO landfill](#) according threatened witness what they plan to burn in incinerators, which perfectly fits under depopulation agenda 21.

Real knowledge and solutions are manipulated ore undemocratic suppressed in the interest of a few. Our Universities are hijacked, and totally not able to operate independently because of the conflicts of interest of corrupt politicians and multinationals to sell "Sustainability", ecologically, environmentally friendly, biomass, green power, sustainable, CO2 reduction, environmental concrete, secondary fuel, recycling, Rio de Janeiro Protocol, Kyoto Protocol... The CO2 reduction is a lie ([video](#)), not only to suppress people but also for its enormous value as a resource, not for nothing they want to storage it underground. By registered letter dated 27 May 2012 the No Cancer Foundation in Hasselt (Belgium) has written to [H.R.H. Princess Maxima](#) of the Netherlands the following request, with a copy to [King Albert II of Belgium](#), and to [Herman van Rompuy, president of the European Union](#) and to [Etienne Davignon President of the Bilderberg conferences](#):

NO CANCER FOUNDATION

"We have the honor to ask you to save the world from the total poisoning with highly toxic carcinogen poison, falsely labeled as arsenic acid, and chromium trioxide (chromium VI) being highly problematic hazardous waste of Billiton/Shell and other pesticides, such as Roundup (produced by Monsanto), chemtrails, fluoride poison, aspartame, and vaccinations etc. together with radiation. This is all the result from the (in fact) continuation of the Hitler cabinet from 18 May 1940 Constitutional Netherlands that since than no longer exists.

All this is the outcome from the 'Bilderberg conferences' implemented under the chairmanship of Prince Bernhard at first, and later Queen Beatrix and now the chairman Etienne Davignon, meanwhile the Hitler cabinet (Nazi regime) from the territory of the former Netherlands has continued what is inherited by the European Union with a total destruction of our democracy as the next step under the European stability mechanism (ESM) that they want to implement by 1 July 2012. "

From the territory of the former Netherlands the Hitler Cabinet continued to expand its sphere of influence and into the greater German Reich "or as we now call it the " European Union ". This was achieved not by a democratically elected president and a European Commission, but by one that takes decisions against which by citizens of the Member States within the European Union cannot be litigated.

From this European Commission they propose - before 1 July 2012 -(within less than one month) that 500 billion euro in the ESM-Fund should be plunged, this money will be seized from across the countries Netherlands, Belgium, France, Germany, Italy, Spain, Portugal, Greece, Austria, Ireland, Finland, Luxembourg, Cyprus, Slovakia, Slovenia, Estonia and Malta. The (hidden) goal of this is the poisoning of the world population under the cloaks of sustainability, innovation, ecological, environment friendly, biomass, green power, CO2 reduction, KOMO-keur, environmental concrete, secondary fuel, Rio de Janeiro protocol, Kyoto protocol and Agenda 21 with the release of highly toxic, mutagenic, teratogenic, genotoxic, reprotoxic, carcinogenic poison as, falsely labeled arsenic acid and to extend to chromium VI.

How did the Hitler regime continue from the Netherlands?

On 10 May 1940, the German army invaded the Netherlands. On the 13 May 1940 Queen Wilhelmina and the council of Ministers fled to England. Thus the Dutch Queen, head of State and the council of Ministers have surpassed article 21 of the Constitution, in which is written:

"Under no circumstances can the seat of Government be placed outside the Empire"

By article 21 of the Constitution, the Dutch Government has lifted itself to violate. Seyss-Inquart Reichsstatthalter (Hitler Regime) could that way put himself in the place of Wilhelmina.

By the illegitimate ' transfer ' of the Dutch Government to England, it happened that besides a military occupation in the Netherlands, also the German civil administration under Seyss-Inquart became fatal for the Jewish part that extra of the Dutch population. In Belgium and Denmark - where the Princes remained on their post - the vast majority of Jews survived the war. In Belgium, almost 90% of the Belgian - and 60% of foreign Jews (most come from Germany and Central Europe) survived. Thanks to the Danish King in Denmark even 99% of the Jews survived the war. This is in contrast to the Netherlands, where only about 20% of Jews survived the war. Citizens in Belgium and Denmark were not taken to camps like ' Westerbork '.

On 18 May 1940, Adolf Hitler introduced on the Government powers Decree No. 1 in the Netherlands.

On May 25, 1940 Reichskommissar Seyss-Inquart of the occupied area in Holland issues a call going out to the Dutch citizens that upon that day he will take possession of the highest governmental authority in the civilian resort in the Netherlands. By the regulation of 29 May 1940, Reichskommissar Seyss-Inquart, has inherited all the powers in the Dutch Constitution and the laws (and powers) that were granted to the King or Queen and the Government.

On 5 June 1940 Reichskommissar Seyss-Inquart makes the following appointments, in accordance with the Decree of Hitler (his regulations):

1. for Administration and Justice, Dr. Friedrich Wimmer;
2. for Public Safety, SS-Brigadeführer Hanns Rauter (Higher SS officer and police leader);
3. for Finance and Economic Affairs, Dr. Hans Fischboeck
4. for Special Affairs, Reichsamtsleiter Fritz Schmidt.
5. representative of the Ministry of Foreign Affairs, Otto Bene
6. to Plenipotentiary of 'de Nederlandsche Bank' (den Ministerialdirektor der Bank) Dr. Hans Piesbergen
7. Chief of the Main Department on bureau van den Reichskommissar for the occupied Dutch area, (Ministerial rat) Dr. Hans Piesbergen.

The superstructure of the Dutch Government (central force) was formed by:

1. Reichskommissar Seyss-Inquart
2. the four Commissioners General: Dr. Friedrich Wimmer (governance and Justice), Hanns Rauter (for public safety den SS-Brigadeführer), Dr. Hans Fischboeck (Finance and Economic Affairs), Fritz Schmidt (Special Affairs den Reichsamtsleiter)
3. The Plenipotentiaries of den Reichskommissar for the provinces: the Commissioners of the Queen during the second world war, whether or not fitted with a special Commissioner Plenipotentiary, (als Kreisleiter) Schmidt that was in Limburg.
4. the representative of the Ministry of Foreign Affairs, Otto Bene
5. the German Plenipotentiary for the Dutch Bank Dr. Hans Piesbergen.

From this moment the Reichskommissar appoints and dismisses these people in power:

1. the members of the High Council;
2. Attorney-General and the Attorneys-General at the Supreme Council;
3. the Presidents of courts;
4. The Attorneys General at the courts.

The other judicial officials are appointed and dismissed by the Secretary-General of Justice, unless the Reichskommissar the appointment or dismissal keeps to himself. (source: State law since 10 May 1940, library city of Amsterdam August 24, 1946). The Secretary-General of Justice has a dictatorial power over all health officials.

This is an explanation for the fact that current Secretary-General Joris Demmink (VVD) by current Minister responsible for the Ministry Safety and Justice Ivo Opstelten (VVD) cannot be expelled from his function also may not be prosecuted criminally for the abuse of small children despite much evidence (source: book "De Demmink Doofpot").

On May 5, 1945 Germany capitulated on May 5, Netherlands celebrated this victory over the capitulation. On that date 'Hotel De Wereld' in the city of Wageningen the capitulation would have been signed between the German General Johannes Blaskowitz and the Canadian General Charles Foulkes, in the presence of Prince Bernhard. The agreement was signed on 6 May in the de Aula of the then Agricultural College next to "Hotel de Wereld" in Wageningen. **Prince Bernhard was not present.** The Act itself, present in the municipal archives of Wageningen is dated 5 May 1945. In reality, only an agreement on the technical elaboration of German troops in the Netherlands of capitulation on May 4 of German forces in Northwest Europe. (source: Wikipedia). This is the proof that no one at the hands of Prince Bernhard on behalf of the Dutch head of State and/or Government has signed the capitulation of Germany (the Hitler Regime) and also not at the signing by the authorized German General Johannes Blaskowitz and the Canadian General Charles Foulkes has been present. Constitutionally, this means that every part of the Netherlands from May 5 1945 still belongs to Germany. Now because it's signing has legally not taken place, so the Netherlands from 18 May 1940 Constitutionally means that the Netherlands no longer exists and the occupation from the Hitler Cabinet on the former territory of Netherlands after 5 May 1945 has since continued. Therefore, the Netherlands from that time the Prime Minister, ministers, State Secretaries, the Commissioners of the Queen and the mayors are not elected but appointed by the head of State and sworn into office.

Of 24 June 1945 until 3 July 1946 Netherlands from 18 May 1940 Constitutional: because it no longer exists there could be no democratic elections after the war, in the Netherlands. Therefore, Queen Wilhelmina, as successor to Adolf Hitler, the first post-war cabinet Schermerhom-Drees appointed itself. The Hitler Government is thus under her leadership as head of State continued. This successor Hitler Government was a 'Royal' Government and is also known as an "emergency Cabinet (Government)". On this continuing Hitler-former Dutch territory Government headed by former Dutch Queen Wilhelmina continue to remain head of State, it was necessary that the next Government was formed by the PvdA and the KVP as successor to the German NSDAP because Cardinal Pacelli (later Pope Pius XII) and Franz von Papen, Vice-Chancellor of Germany, under Chancellor Adolf Hitler (since 30 January 1933), on 8 July 1933 has signed the Reichskonkordat, with in article 14 the following passage:

"The appointments of archbishops, bishops and so on will not be published earlier than after the reichsstatthalter properly will have verified that there were no objections of general political nature exist."

Hereby the successive Dutch heads of State, Wilhelmina, Juliana and Beatrix (of continuing Hitler cabinet from May 5 1945) have gained fullpower over the pope and the Christian parties.

The German Plenipotentiary for the Dutch Nazi Bank was Dr. Hans Piesbergen. This procuration (proxy) is in the first post-war Cabinet adopted the Schermerhom-Drees by Queen Wilhelmina (successor of Adolf Hitler) named Finance Minister Piet Lieftinck (CHU/PvdA) from 1973 to 1977 as successor to W.F. Duisenberg (PvdA). From 1982 to 1997, this person (W.F. Duisenberg) has become president of the Dutch Nazi Bank.

From 1998-2003, W.F. Duisenberg was appointed first president of the Executive Board of the European Central Bank in Frankfurt. In this capacity he was one of the driving forces behind the introduction of the euro as legal tender in 12 European countries by 1 January 2002. From this moment the European Central Bank in the hands of the Cabinet from former Dutch territory continued under the control of the secret Bilderberg Hitler-conferences-first under the chairmanship of Prince Bernhard, Queen Beatrix and currently the Belgium chairman Etienne Davignon thereafter. From 1998 the European Central Bank, at the hands of W.F. Duisenberg and Nazi Bank which now has become the president the Frenchman Benoît Cœuré.

It is this (hands of W.F. Duisenberg) European Central bank which became Nazi of the Dutch Nazi bank and the banks of the other Euro-member States by the time of 1 July 2012 (within one month) 500 billion euro in the ESM-deposited Fund wishes to have, to under the guise of "rescuing the Euro" (thus the greater German Reich) or "European Union" will become fully realized. And from which the human population on Earth - with the implementation of "Agenda 21" - they will be allowed to worldwide using of pesticides, toxic fluoride, aspartame, chemtrails, toxic substances in cosmetics, poisonous radiation, vaccination, etc. (after first experimenting on the population) with a result that about 50 to 80% of the population will be reduced.

With the above mentioned facts it is now clear that "The Netherlands (Nederland)" and "the Dutchman" (citizen from this country) from 18 May 1940 until 5 May 1945 should have been "Germany" (Member State Germany)" and "the German" (citizen) from May 5 1945, as "Nederland" does no longer exist. On former Dutch territory from 5 May 1945 the Hitler Cabinet silently continued under the leadership of the Queens Wilhelmina, Juliana and Beatrix, driven from the secret Bilderberg conferences established in 1954 under the chairmanship of Prince Bernhard, Queen Beatrix first then and now the Belgian Viscount Etienne Davignon, whereby the Nazi regime is taken up by the European Union. The consequences for Belgium, European Union, United Nations, NATO, and other associations and clubs, like the Bilderberg Conference, club of Rome, club of Madrid but also involved banks and companies etc. Consequences can be read below:

1. The Dutch Constitution and all other laws declared applicable in Netherlands from May 5 1945 are not valid.
2. All Dutch Prime Ministers, ministers, Secretaries of State, first Chamber members, second Chamber members, Commissioners of the Queen, members of the Gedeputeerde States, members of Provincial States, mayors, aldermen and Councilors, as well as all the Dutch lawyers from 5 May 1945 to date who have taken the oath to the Queen that have supported to the continuation of the Hitler-Cabinet and are therefore responsible and liable for the overall poisoning of the world, more than a billion within now and the next 10 years poisoning deaths (cancer deaths). They are therefore responsible and liable for the largest genocide in the world's history.
3. All by the Dutch courts, Central Board of appeal, College van Beroep voor het Bedrijfsleven, the Judiciary Council and the Council of State rulings, decisions, judgments and rulings made from 5 May 1945 to date ' in the name of the Queen ' are not valid.
4. All information provided to date from May 5 1945 Dutch passports, identity cards, etc. are not valid. All Dutch people are thus stateless.
5. Given the above points 1 thru 4, in the Netherlands on 12 September 2012 announced second Chamber elections should not continue and a portion of the inhabitants of former Netherlands (below the rivers?) to be attributed to Belgium and to request a Belgian passport and the rest (above the rivers?) to be attributed to Belgium and to request a Belgian passport and the rest (above the rivers?) to be attributed to Germany and request a German passport, since these countries legally exist and have a Constitution and a Constitutional Court.
6. All decisions, judgments and rulings issued by the International Criminal Court in the Hague about persons suspected of genocide, crimes against humanity and war crimes are not valid because they are pronounced on the territory of a non-existent country on the proposal of the United Nations, what communication is signed by continuing from former Dutch territory Hitler Cabinet. In addition, that ' genocide ' is disproportionate with the genocide of billions of world inhabitants, from the former Dutch territory, from the Hitler Cabinet.(comparison).
7. All politicians, political parties, individuals, banks, institutions, businesses, churches, etc. that from 1954 until today attended the secret Bilderberg-Conferences are responsible and can be held liable for

NO CANCER FOUNDATION

treason, and poisoning-genocide of billions of world residents there that have occurred from the former Dutch territory (on continued Hitler Cabinet). Therefore to current Belgian President Etienne Davignon will receive a copy of this letter before 31 May 2012 to be consulted with the emphatic H.R.H. Princess Máxima request the cancel the secret Bilderberg Conference from 31 May 2012 in Westfield's Marriott Washington Dulles Hotel till 3 June 2012, Virginia. And accordingly decide that in future no more secret Bilderberg conferences will be organized.

8. The Benelux Treaty should be dissolved immediately because due to the fact that the Netherlands from May 5 1945 does not exist and Belgium does not wish to be associated to the former Dutch territory continued Hitler Cabinet. We will notify King Albert II of Belgium with submission of a copy of this letter to Princess Máxima, with the request to open in Brussels in consultation with Princess Máxima, and European President Herman Van Rompuy, and possibly other persons and undersigned by him on behalf of No Cancer Foundation.

We propose for King Albert II to ask Princess Máxima to become the Chairman because she brought this to the public attention for the first time. And as an independent spokesperson, since she never attended a Bilderberg Conference.

9. All European treaties, notably the Treaty of Maastricht and the Treaty of Amsterdam are not valid. This is because these treaties are signed on former Dutch territory from which from 18 May 1945 the Hitler Cabinet has continued and signed by Member State that according to the Constitution The Netherlands does not exist. This means that the European Community will have to be reduced to a smaller number of states dating from after the time of the Maastricht Treaty with that indication that the residents from the Netherlands will have to get a Belgian or German Nationality. More specifically, this means that only the countries Belgium, Denmark, in Germany, Greece, Spain, France, Ireland, Luxembourg, Portugal and the United Kingdom will belong to this new European Community, and that the old coins (except the guilder) will be used again and that the borders should be closed. From this a new politics, new economy and a new social life can be built in which our children and grandchildren can live a healthy and prosperous life. We will notify the current president of the European Union, Herman Van Rompuy, also Chairman of the European Council, through submission of a copy of this letter to Princess Máxima. This with the request for this in Brussels in consultation with H.R.H. Princess Máxima, King Albert II of Belgium, other persons and undersigned by him on behalf of No Cancer Foundation (if desired).

10. The announced European stability mechanism (ESM) can be stopped, cancelled on 1 July 2012, as already announced; on the basis of the above (points 1 thru 9 continue). We call on the European Union's current president Herman Van Rompuy to inform and discuss about this in the European Council as soon as possible via the press officers of the European Union and making this information public a.s.a.p.

11. From The former Dutch territory from May 5 1945 Hitler continued the secret Bilderberg-driven Cabinet, from conferences with support from the Vatican and the Christian parties. Within 10 years from now and at least one billion world inhabitants will die from severe signs of early diseases (including cancer), therefore a ban on this should be implemented immediately by the Holy see. Because it is in very serious extent acted against the ten commandments of God. We will inform Pope Benedict XVI of this letter (and also inform H.R.H. Princess Máxima) and ask him to forgive them all, after which can be worked on a new world in which the ten commandments of God actually be complied with and by the Holy see on compliance.

12. The United Nations should be abolished in its current form because of the fact that Netherlands from May 5 1945 does not exist and therefore cannot be a member of the United Nations. The United Nations also does not want to be associated with the former Dutch territory continued Hitler Cabinet, and a dictatorial regime It is very important that the United Nations continues to exist because of its network and infrastructure. We desperately need to have a social structure, because we will get a worldwide political upheaval and social unrest. The good news is: It will no longer be possible to grant subsidies of billions of euros for products and processes that poison us with massively carcinogenic substances as arsenic acid and chromium VI. These resources will be much needed for the promotion of suppressed technologies and products from natural and vegetable origin, so that our children and grandchildren also have a healthy life on our Earth. We will send these intentions and arguments to the present United Nations Secretary-General Ban Ki-moon (South Korea) and let a request go out with this (in English translated letter) to H.R.H. Princess Máxima.

NO CANCER FOUNDATION

13. The NATO in the current form should be abolished also, because of the fact that Netherlands from May 5 1945 does not exist and therefore cannot be a member of the NATO. NATO also does not want to be associated with the former Dutch territory continued Hitler Cabinet. It is very important that the NATO continues to exist, because of its network and infrastructure. We are in desperate need for social peace in the forthcoming difficult years to preserve, in which probably more than a billion world inhabitants will die from poisoning diseases (cancer) as a result of the continued Hitler cabinet from former Dutch territory (under control of the secret Bilderberg conferences). We will present this information to the NATO Secretary General Anders Fogh Rasmussen and a request going out with this (in English translated) letter to H.R.H. Princess Máxima with the supporting evidence.

14. Clubs like the Club of Rome, Club of Madrid and other clubs, associations, etc., whose Netherlands is a Member State cannot continue in the current structure, due to the fact that Netherlands (from May 5 1945) does not exist and therefore cannot be a member of these clubs, associations etc. We will inform the Presidents of those clubs, associations, etc. and make therefore requests with this (in English translated) letter to H.R.H. Princess Máxima.

In order to find a solution for the citizens of the world, where our children and grandchildren can live, we need to get justice for everyone who has been involved in (knowingly or unknowingly) poisoning of our earth and its habitants. Also we need forgiveness. That is precisely why it is very important that someone from the Dutch Royalty will be involved. We see a role for this is the most suitable candidate in H.R.H. Princess Máxima. This devastating problem, in which the world is now, because they Dutch Royal House has contributed and is held hostage, as she is the only from this Royal House who has brought this into the open and she never personally attended a Bilderberg Conference and is thus independent.

No Cancer Foundation has issued to H.R.H. Princess Maxima the following request:

Given the above facts we ask the Dutch Royal Princess Máxima to acknowledge this mass poisoning of the Earth, and how and when it has started, and start to make it known to its inhabitants and offer help to let it come to an end. For the sake of all people, and animals on this planet.

To end this unnecessary mass poisoning we humbly ask whether she - H.R.H. Princess Máxima - wants to become the President of the above suggested consultative body in which No Cancer Foundation is also represented. We will work with many respectable scientists from around the world to clean up the environment, and prevent further damage to the environment and all living entities.

The No Cancer Foundation made the following request to King Albert II of Belgium made the following request:

We have the honor to ask you to take notice of the contents of our letter dated 27 May 2012 below attached to H.R.H. Princess Máxima of Netherlands.

On the basis of the contents of that letter, the Benelux Treaty with to be cancelled immediately because of the fact that The Netherlands "Netherland" from May 5 1945 does not exist and Belgium does not wish to be associated with former occupied Dutch territory continued Hitler Cabinet.

To you as Belgian head of State we want to ask you to propose to H.K.H. Princess Máxima to become the President of the undersigned proposed consultation body, containing King Albert of Belgium, current president Herman Van Rompuy of the European Union, other persons you want and the undersigned on behalf of No Cancer Foundation as representatives for the benefit of a healthy Earth and to guarantee a safe and healthy life for its inhabitants.

In that consultation can also be raised the question how to proceed with the Benelux Treaty (and the situation of the Netherlands).

To Herman Van Rompuy, President European Union, the No Cancer Foundation has made the following request:

We have the honor to ask you to take note of the contents of our letter dated 27 May 2012 below attached to H.R.H. Princess Máxima of Netherlands.

NO CANCER FOUNDATION

On the basis of that content it is very clear that the proposed European stability mechanism (ESM) on 1 July 2012 cannot continue to be installed. We request that you notify the European Council and ensure that this will be brought into the open, as soon as possible via the press officers of the European Union.

On the basis of that content also all European treaties, including in particular the Maastricht Treaty and the Amsterdam Treaty, are not valid. This is because these treaties are signed on former Dutch territory from which from 18 May 1945 the Hitler Cabinet has continued and signed by Member State that Constitutional Netherlands does not exist. This means that the European Community will have to be reduced to the time before the Treaty of Maastricht in the Netherlands that first entry with that former Dutch or German Nationality residing inhabitants should have a will. In concrete terms this means that only the countries Belgium, Denmark, in Germany, Greece, Spain, France, Ireland, Luxembourg, Portugal and the United Kingdom will belong to the new European Community, that the own coins (except the guilder) will have to come back again, and that the borders will have to be closed. From this new situation with a new politics, new economic rules and a new social structure for life can be built in which our children and grandchildren can live well.

We ask you to make arrangements with the undersigned on behalf of No Cancer Foundation and consult together with H.R.H. Princess Máxima, King Albert II of Belgium and other persons presented by you.

To Etienne Davignon, President secret Bilderberg conferences - No Cancer Foundation has done the following request:

We have the honor to ask you to take note of the contents of our letter dated 27 May 2012 below attached to H.R.H. Princess Máxima of the Netherlands.

With that content is factually proven that all politicians, political parties, individuals, banks, institutions, businesses, churches, etc. that from 1954 until today the secret Bilderberg conferences are responsible and liable for having attended poisoning-genocide of billions of residents there that have occurred from the world on former Dutch territory continued Hitler Cabinet.

We emphatically request you to cancel the secret Bilderberg Conference as is planned to take place from 31 May to 3 June 2012 in Westfield's Marriot Hotel, Virginia, until it has been decided that no more secret Bilderberg Conferences will take place in the future.

We will wait patiently for your answer, and we will keep you informed by our website www.nocancerfoundation.org
